OUR SERVICES

Your message is important. Delivering that message effectively will have a direct impact on your organization's future—it's essential to helping you achieve goals and grow your business. At CPMI Solutions, we can help you reach your customers with highly personalized, targeted, relevant communication. Always at the forefront of new technologies, we consistently find innovative ways to produce effective and creative messaging. We offer a broad range of affordable, results-driven capabilities that will fit your unique business needs:

- Digital on-demand printing, full color text and image variability
- Direct mail letter packages, self-mailers, postcards
- 1-, 2-, 3- and 4-color envelope printing
- List acquisition, tracking, A/B testing No minimum or maximum requirements on any product
- Preferred partner pricing

And that's just the beginning. When you partner with CPMI Solutions, you'll get more than just world-class products. Our commitment to exceeding customers' expectations drives us to find solutions to your marketing challenges and help you achieve solid business outcomes while staying within your budget.
