

One Company. Multiple Divisions. Different Networks and Services.

**Working together to provide access to quality care**

### 1 Procura™ PPO Network [www.workcompauto.optum.com/PPO](http://www.workcompauto.optum.com/PPO)

The Optum Preferred Provider Organization (PPO) offers seamless access to the workers' compensation and auto no-fault line of business specific providers for each state. Our expansive national network of physicians, specialists, physical therapists, chiropractors, home health providers, hospitals and clinics provide treatments for workers' comp and auto no-fault injuries. Our structure incorporates direct contracts and network affiliates on a state-by-state basis.

### 2 Tmesys® Network

The nationwide retail pharmacy network that includes nearly 60,000 pharmacies, ensuring a pharmacy is always close to home or work.

### 3 Optum Physical Therapy

A national network of experienced providers who meet strict NCQA credentialing standards and are driven by the clinical needs of the injured person.

### 4 Optum Care®

Nationwide family of more than 53,000 dedicated physicians working together to help people live their healthiest lives.

### 5 OptumHealth™

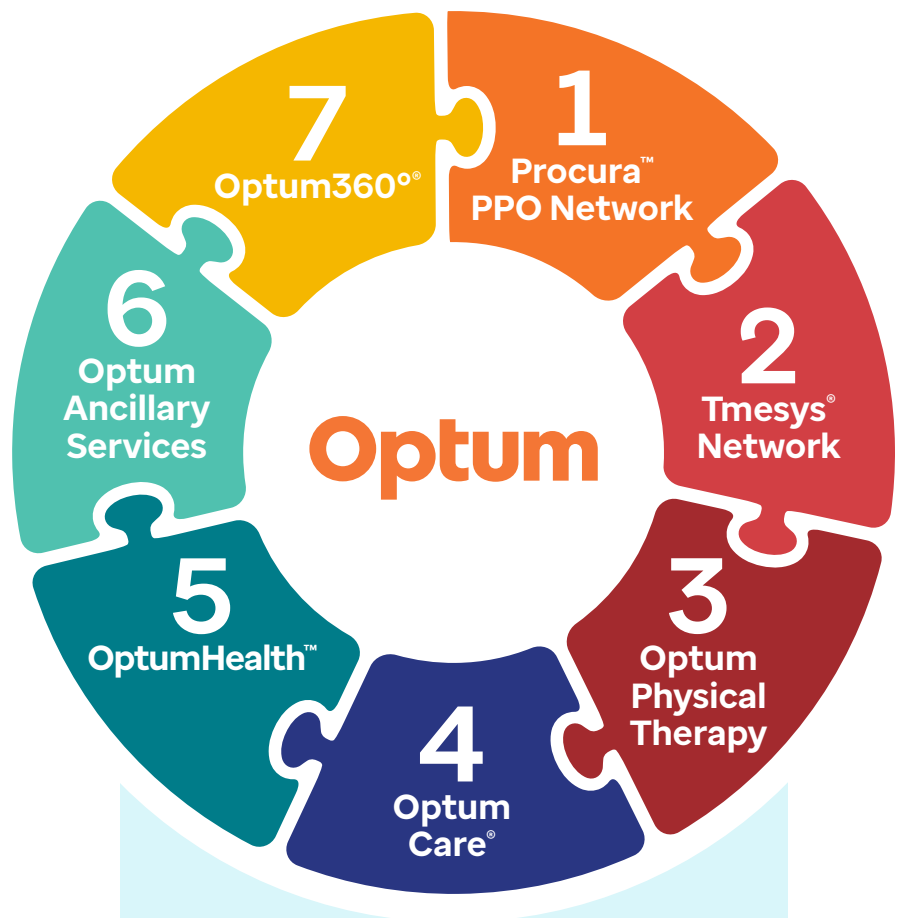

Provides products and services directly through local medical groups and ambulatory care systems, including primary, specialty, urgent and surgical care.

### 6 Optum Ancillary Services

Exclusive national network of vetted providers ensures timely personalized care throughout the use of our services.

### 7 Optum360°®

Solutions that span the revenue cycle for documentation and coding accuracy, claims integrity and processing, and denials management and recovery.

**Separate contracts must be signed for each network**

At Optum, we're collaborating with clients to achieve healthier outcomes in workers' comp and auto no-fault.
