

MAY IS MENTAL HEALTH MONTH
Mental Health disorders can impact recovery from injuries

[LEARN MORE](#)

Treatment for an injury may require a variety of services.
Optum has the solution to help manage them all.

**WE CALL THIS
 TOTAL CARE MANAGEMENT**

Built from a **foundation** of Network Management, Clinical Care Management and Client Support & Tools, Total Care Management **helps you address every medical component of a claim.**

Network Management

Clinical Care Management

Client Support & Tools

Total Care Management is your solution to manage, monitor, schedule and analyze an injured person's complete treatment from date of injury to claim resolution. **Whether you need pharmacy, ancillary, medical or settlement services — or a combination of them all — Optum goes beyond simple transactional savings.**
